

"After Germany Has Won"

Listen to the words of the Hun, spoken by his duly authorized Imperial Chancellor:

"After Germany has won, the United States will find herself confronted with an indemnity which will about equal the entire amount expended by Germany in the whole war. For every loan to the Allies, for every bullet, shell, every gun, every conceivable item of war material shipped by America to the Allies, there will be an accounting in gold."

How do you like it?

How do you like the idea of footing Germany's war bill after she has won the war?

Whether you like it or not, you *know* that what the Imperial Chancellor says is absolutely true

if Germany wins the war.

Therefore it is up to you right now to do

your share to see that Germany does not win the war, so that your money will not be given to pay the expenses of the Hun.

Would you rather lend your dollars to America or give them to the Hun?

Choose now. The amount of LIBERTY BONDS you buy is your answer to the impudent boasting of the Hun.

How to Send Christmas Package to Men Now in Army Oversea

OWING TO SCARCITY OF SHIPPING SPACE ONLY ONE PACKAGE FOR EACH MAN CAN BE CARRIED.

Owing to the need for all shipping space restrictions of one package for each man over seas has been established and a number of important regulations issued governing the same. It is of utmost importance that relatives and friends of men "over seas" who want them to enjoy the great day, become thoroughly familiar with exact regulations. Since all these packages must go thru the Red Cross and be inspected before being mailed the following Red Cross bulletin on the subject is given in full:

Northwestern Division American Red Cross Christmas parcels for men abroad, General Information and Instructions, 1918.

Families of men in service abroad are eager to make Christmas overseas as merry as conditions permit.

The War Department, realizing this, has decided that each man may receive from his family a Christmas package of standard size and approximately standard contents.

The American Red Cross will prepare these parcels for mailing, an arrangement having been completed between the War Department, the Post Office Department and the Red Cross.

Shipping space available will permit the sending of but ONE PARCEL to each man.

To avoid any duplication and to be sure that each parcel is correctly addressed, a "Christmas Parcel Label" is now being issued to every man abroad.

Every man abroad will mail his "Christmas Parcel Label" to some relative or friend who will be entitled to send him a parcel by complying with the conditions herein set forth.

The relative or friend who receives the "Christmas Parcel Label" from a man in service overseas, will apply to the nearest Chapter, Branch or

Community Auxiliary of the Red Cross or to such other Christmas Parcel Stations as may be designated by his Red Cross Chapter, and upon showing the Christmas Parcel Label will receive one carton, 3 in. x 4 in. x 9 in. in size. It will be easy to ascertain from the newspapers whether cartons have been received at the Christmas Parcel Station. Applications should not be made until cartons are on hand.

Specially manufactured cartons for this purpose will be sent to Chapters from Divisional Headquarters, and will be distributed by Chapters to branches and community auxiliaries or such Christmas Parcel Stations as the Chapter may establish, together with "Red Cross Inspection Labels" also furnished from Divisional Office.

The carton may be filled with any combination of articles that fit in it and which are not barred from Christmas Parcels by the Post Office Department. The list of articles that may not be sent may be procured at the same time and place as the carton.

The weight of the parcel must not exceed two pounds, fifteen ounces, unwrapped.

When the carton is filled it should be taken to the place where it was procured.

Red Cross Representatives will inspect the parcels, and will (a) exclude any articles barred by Post Office Department from Christmas Parcels; (b) remove any notes or messages; (c) wrap, tie and weigh the parcel; (d) place on the parcel the Christmas Parcel Label received from abroad, bearing name and address of recipient.

The person sending the parcel shall then, in the presence of the Red Cross Representative, affix stamps at the rate of twelve cents (12c) for each pound or fraction thereof. (Parcel Post rate to Hoboken, N. J.)

The Red Cross Representative who inspected the parcel will then affix to the parcel the "Red Cross Inspection Label," properly signed.

Parcels ready for mailing shall remain in the custody of the Red Cross until delivered by its representatives to the Post Office authorities.

NO CHRISTMAS PARCELS CAN BE MAILED LATER THAN NOVEMBER 15.

No Christmas Parcel can be accepted by the Post Office without the "Christmas Parcel Label" from overseas.

No duplicate can be issued if the "Christmas Parcel Label" is lost. This rule cannot be altered by anybody.

These instructions have been issued by the National Headquarters of the American Red Cross, are based on the agreement with the War Department and the Post Office Department and must therefore be strictly observed.
